The War Memorial Center is located just east of downtown Milwaukee at Lake Michigan, 750 N Lincoln Memorial Drive. A new traffic pattern has been created for the on ramp from Mason Street to Lincoln Memorial Drive. Please see the following recommendations for travelling to the War Memorial Center with this new pattern.

For visitors coming from the interstate: follow I-94 or I-43 downtown to I-794 East. Exit at Exit 1F, the Lakefront exit. Take Lincoln Memorial Drive North through the stoplights at East Michigan Street. Pass under the Mason Street bridge; the turn for the parking lot will come up quickly on your right.

For visitors coming from downtown: follow Mason Street East and come down the bridge; take a right into the North parking lot at the bottom of the bridge.

In addition to entering through our first floor north entrance, visitors can also arrive through our second floor west entrance at the Mason Street level. It is convenient for those traveling on foot from downtown and those parking in handicap accessible spaces on the bridge.

The War Memorial Center is ADA compliant. The building is easily accessible at all level, with additional handicapped parking at the Mason Street Level (complimentary) or in the parking lot (fees apply).

The new traffic pattern can be seen here.
