

VET'S DAY 5K

Now part of The Wisconsin Chilly Willy Run Series

PRESENTED BY CARGILL

HONOR THE DEAD - SERVE THE LIVING

The War Memorial Center is a valuable resource that continues to have a profound, tangible impact on the lives of thousands each year, with over 50,000 area veterans looking to WMC to serve as a visible tribute to their service and a place to connect with other veterans. As we continue to grow our programs and services for our veterans, it is clear that our mission to honor the dead by serving the living is more important than ever as we strive to ensure that every veteran feels their service is appreciated.

Start your winter running season off on the right foot and honor our veterans and current service members at the Vets Day 5k & 10k at the War Memorial on Saturday, November 11, 2023. The Vets Day 5k & 10k is part of the park. This is the only race that starts and finishes on Mason street right in front of the War Memorial. Join your fellow runners after the race for awards and a gourmet hot chocolate bar!
